The Christmas Book.

Old favourites. New traditions.

159 editorial references. 35 Christmas-only finds. A season of collecting, playing, making and giving.

An original nostalgic holiday catalogue. The supplied Christmas characters are decorative artwork; category photographs are labelled and credited. Branded product photographs are linked at source where reuse permission is not established.

No confirmed RITTER'S stock, selling prices, supplier allocation or delivery promises. Nothing in this book is an offer to sell or a reservation.

Twenty-five little traditions.

A free December activity each day. The interactive calendar opens December 1-25, 2026, Vancouver time. No prizes or purchase required.

01 Start a thoughtful wish list

02 Write an object's story

03 Make a tiny shelf gallery

04 Check a collectible's condition

05 Play a game you own

06 Check an official product source

07 Reuse gift wrap

08 Make a festive playlist

09 Write a thank-you note

10 Care for your collection

11 Remember a meaningful gift

12 Review your wish list

13 Find a free community activity

14 Photograph an object you own

15 Set a comfortable gift budget

16 Write fair trading rules

17 Read or listen quietly

18 Make a tag from scrap card

19 Ask about a childhood toy

20 Remix a display

21 Check a model number

22 Recommend a favourite story

23 Reuse ribbon or wrapping

24 Capture a seasonal memory

25 Celebrate the small things

Visit the interactive Advent calendar →

Behind the shelves.

Research leads only. Existing account status, territory, minimums, image rights and fulfilment need confirmation. No orders or commitments.

Character artwork: fifteen files supplied by Kyle for this project, plus the transparent helper atlas prepared from the first five sheets. No claim of rights to third-party branded product photography is made.

Original 136 audit: 130 identities confirmed using official pages, search results or announcements. Six retain partial/pending status. Product-family counts, availability, supplier authorization and image rights are independent checks. Full item-level evidence is in the accompanying manifest and live website.
